Re: *Sierra Corporate Design, Inc. v. David Ritz and Ed Falk*

Gentlemen:

In conjunction with the above referenced litigation, Sierra Corporate Design, Inc. hereby formally notifies you that you are not authorized to access Sierra's servers, websites, computers, computer networks or systems. This applies to direct access as well as indirect access and that via proxy. In the absence of any authorization, any access by you would constitute a further violation of North Dakota Century Code § 12.1—06.1-08.

This letter in no way suggests or implies that any authorization had been previously given. However, to whatever extent you claim to have had any such authorization, this letter should dispel that notion.

Sincerely yours,

Christopher J. Harristhal, for
